child's ability to achieve"*

Oregon Program Autism Training Sites and Support

Evidence-Based Practices for Preschool and Elementary Students with ASD

**Two Day Comprehensive Workshop:
Implementing Evidence-Based Practices as used in the STAR® Program
(Arick, Loos, Falco and Krug, 2015)**

**Presented by: Oregon Program Autism Training Sites & Support Staff
in collaboration with Columbia Regional Program**

Who: This workshop is designed for preschool and elementary school staff intending to implement evidence-based practices using the Strategies for Teaching Based on Autism Research (STAR) curriculum with students.

What: Participants will receive training on how to use the following instructional strategies: teaching functional routines, pivotal response training, discrete trial training and the use of positive behavior intervention and supports as used in the STAR Program.

Where: Columbia Regional Program at Wilcox
833 NE 74th Ave
Portland, OR 97213

When: September 14 & 15, 2016 (8:30-3:30)

Registration: crporegon.org

Persons with disabilities or who are in need of additional accommodations or a language interpreter in order to attend or participate in an event or program at Columbia Regional Program should contact Darthea Park at 503-916-5570 ext. 78377, dpark@pps.net

The Oregon Department of Education has made a small amount of funds available to reimburse participating agencies for staff substitute pay. These funds are to provide release time for staff to be involved in OrPATS training (Workshops and/or visits to OrPATS Training Sites). This funding must be approved ahead of time and is on a first come first served basis. Please visit the OrPATS website to download forms and instructions for submitting. www.orpats.org

This workshop is a collaboration between Oregon Program Autism Training Sites & Support (OrPATS) and Columbia Regional Program
