

**COLUMBIA REGIONAL PROGRAM**

*"Working together to support every  
child's ability to achieve"*

Oregon Program Autism Training Sites and Support

## **Implementing Evidence-Based Practices using the LINKS® Curriculum**

**Presented by: Oregon Program Autism Training Sites and Support Staff  
in collaboration with Columbia Regional Program**

### **Who:**

This two-day workshop is designed for secondary staff working with students with ASD and other related developmental disabilities (Upper Elementary, Middle, High School and Post-Secondary).

### **What:**

Participants in the workshop will learn how to:

- Select routines to teach
- Individualize routines for your students
- Assess and take baseline data to determine student independence levels
- Identify skills to teach based on routine assessments
- Teach critical skills using discrete trial training and other evidence-based strategies
- Teach students to perform routines independently
- Track student progress

The training will focus on assessing, individualizing and teaching functional routines. A process for individualizing routines, identification of skills to teach and how to teach routines will be presented. An additional focus will be on teaching specific skills through the use of Discrete Trial Teaching. Participants will learn how to use Discrete Trial to pre-teach these skills needed for functional routines. Video examples and video practice activities will be incorporated into the workshop. An on-line computerized system will be demonstrated with hands-on practice by the participants.

Participating teams will receive workshop handouts and needed materials/subscriptions to access the Links Curriculum (subscription will be for all students in a classroom for each attending teacher and a two student subscription for each related service staff thru 6-30-18) and/or the FACTER Program (a printed program).

**Where:** Columbia Regional Program, 833 NE 74<sup>th</sup> Ave, Portland, OR 97213

**When:** September 27 & 28, 2017 (8:30am-3:30pm)

**Registration:** [crporegon.org](http://crporegon.org)

**Bring to Workshop** (if possible, not required): Laptop or iPad to access Links

The Oregon Department of Education has made a small amount of funds available to reimburse participating agencies for staff substitute pay. These funds are to provide release time for staff to be involved in OrPATS training (Workshops and/or visits to OrPATS Training Sites). This funding must be approved ahead of time and is on a first come first served basis. Please visit the OrPATS website to download forms and instructions for submitting.
